(Section 319 Project)

**November 1, 2007
4:30 – 6:00 p.m.**

~ Meeting Agenda ~

Welcome

- 45 min. Discussion on impairments & issues in the watershed
- Some identification/discussion has begun – see handout from last meeting. This list is available today too.
 - An example list of impairments has been provided, created based on issues that have surfaced in other watershed based planning projects. This list is available today too.
- 45 min. Discussion of top goals
- Goals were discussed in small groups at the October meeting.
 - A list of goals was distributed by e-mail a week after the meeting.
 - The goals have been grouped into categories & a list of top goals has been identified based on committee member votes at the end of the last meeting. This list is available today.

Adjourn & thanks
