Hello all –

I hope everyone is staying safe today. This is a reminder of our meeting Thursday, February 7th from 4:30-6:00 p.m. at Plainfield South High School's Media Center. If you cannot make it, please note our March 6th meeting is the same time & place as February's.

The February meeting will cover the following:

- NPDES Phase II & watershed-based planning
Guest speaker: Bill Ward, Geosyntec Consultants
- Watershed plan table of contents review/discussion
- Timeline review
- Update on watershed open space mapping – Grundy portion

The agenda is attached as well as the table of contents. We will conclude promptly at 6 p.m., for those of you who have other meetings & commitments.

Over the past week, I've heard from some committee members on the Landowner Bill of Rights. The general feeling has been that the proposed changes are acceptable and the notes I provided in my 1/25/08 e-mail are understood. Therefore, the final document will be available at the February meeting for signing (I have attached it, for your information).

The project website is: www.auxsablecreekwatershed.org.

Thanks & see you next week,
Stephanie
