Subject: Dec. 6 meeting reminder

Hello all –

This is a reminder of our meeting next week, Thursday, Dec. 6. **Note: Meeting location: Lakewood Prairie Clubhouse, 1200 Barberry Way, Joliet.** This is the location for December ONLY (the HS has a chess meet, so we can't use it). It's about 1.5 miles south of Plainfield South HS. Here's a direct link to a directional map posted on the watershed website: <http://www.auxsablecreekwatershed.org/documents/clubhouselocation.pdf> Also note, our **January meeting will be 1/10/08 NOT 1/3**, at Plainfield South HS again.

Our December meeting will focus on the following:

- recap of the 11/21 watershed tour
- discussion on stormwater best management practices (BMPs)
 - CBBEWL is preparing a brief handout on BMPs that I should be able to e-mail to everyone early next week.
- visioning subcommittee

Last meeting we asked for pictures. If you forgot them or have others, please bring them to this meeting. (We will borrow them & return them, rather than setting up to scan just a few.) Types of photos could include: flooding, crop damage, concern areas, good practices, historical photos. You may also e-mail photos to me.

The website is: www.auxsablecreekwatershed.org Lots of information is posted related to 319 projects, items particular to this project, meeting schedules, etc. We will be adding more as the project progresses, so I would encourage you to frequent the site & let others know about it. I am working now to add a page providing links to other watershed plans completed under the new criteria of IEPA – so you can easily access other examples.

Thanks & see you next week,
Stephanie
