TO: Aux Sable Creek Watershed Plan Update Steering Committee Members

CC: Stephanie Sheetz, Conservation Foundation

FROM: Patrick Kelsey, CPSSc/SC, CBBEWL 

SUBJECT: Individual Subwatershed Naming and Watershed Concern
Homework for the Aux Sable Creek Watershed Plan Committee.
(CBBEWL Project # 06-993)

Dear Steering Committee Member:

To assist The Conservation Foundation in updating the Aux Sable Creek Watershed Plan, Christopher B. Burke Engineering West, Ltd. (CBBEWL) is requesting your input as was described during the Aux Sable Creek Watershed Steering Committee meeting at Plainfield South High School on July 17, 2007. Please complete this activity following the instructions provided below with the attached aerial photograph and bring with to the next meeting which is scheduled for on Thursday, September 6, 2007 from 4:30 p.m. to 6:00 p.m. at the home of Mrs. Anne Vickery, 4728 Chicago Road, Minooka, IL.

Enclosed, please find the aerial photograph representing the Aux Sable Watershed with key features identified. The photograph includes subwatersheds marked by letters. Please use the space provided at the bottom of the sheet to submit names you feel are appropriate for the individual subwatersheds. These names can be based upon the common local or mapped name of largest stream in the subwatershed, the name of an important feature within the subwatershed, or some other name you feel best represents the region.

In felt tip marker on the aerial photograph, please circle areas within the Aux Sable Creek Watershed where you have concerns or other pertinent information. In the space provided at the bottom of the aerial photograph sheet, please describe the concerns or information you have as they relate to the areas you have circled.

Memorandum

Please bring the completed aerial photograph to the September 6 meeting. CBBEWL will review and summarize the information received from all of the committee members. At the October 4, 2007 meeting, CBBEWL will present the summarized information along with the subwatershed names which will be chosen by the most commonly provided name by the entire committee. Please include your name on the BACK of the photograph so that each sheet is analyzed without bias or discrimination.

If you have any questions, please feel free to call myself at (630) 443-7755 or Stephanie Sheetz of The Conservation Foundation at (630) 553-0687 ext. 304.
