Hi all –

Our next meeting is March 6, 2008 from 4:30 – 6 p.m. at Plainfield South HS in their Media Center.

The March meeting agenda is attached, but will generally include the following:

- Ordinance discussion
- Final vision statement
- Technical Committee – volunteers?
- Chair for committee review – volunteer?
- Data sharing – to public agencies in the watershed

Also attached is a list of ordinances applicable in areas of the Aux Sable Creek watershed. We will conclude by 6 p.m. (if not before).

Just a note... on Feb. 21, we sponsored (using part of the project funding) a teleconference put on by the Lormann Education Series titled Protecting Watersheds in Developing Communities. This was offered to all committee members & communities in the watershed, for free. Thanks to the Village of Plainfield for hosting a site for this teleconference! A link to the conference materials will be available soon on the Aux Sable website, under the February meeting. The project website is: www.auxsablecreekwatershed.org.

See you next week,
Stephanie
