Subject: Meeting followup

Hi, all.

Thank you for attending yesterday's Advisory Committee meeting. We had a very productive session on Chapter 3. I'd like to remind you that any additional comments on the Chapter are due to me by Wednesday, May 8th so Christopher Burke can incorporate them.

Technical review committee members, please let me know how much time was spent reviewing Chapter 3, so we can document it for the grant.

Thanks much, and enjoy the weekend!

Dan
