**Subject:** April meeting follow up

Hi all –

Thanks for attending the meeting yesterday & offering your comments on the drafts for Chapters 1 & 2. I think all of the comments were very constructive and will improve the final draft. I will e-mail the list of comments shared at yesterday's meeting by the end of next week. **Please share any other comments on Chapters 1 & 2 by Thursday, April 10<sup>th</sup>.** Remember, all comments are weighted equally whether they are shared at the meeting or after our meeting. Comments can be e-mailed to me. You may contact me if you have questions about the best way to send yours (like if you prefer to write in the margin & give the copy to me or send it to our consultant, etc.). Also, if you just want to discuss something, please feel free to contact me – anytime.

Our next meeting is May 1 from 4:30 – 6 p.m. at Plainfield South High School in the Media Center. I expect the format will be very similar, as we plan to review Chapters 3 & 4 at that time.

Thanks for your input on this planning process and taking the time to thoughtfully consider components of the plan – especially with the tight timelines we'll be under with the next couple of meetings. Let me know if you have questions or concerns.

Thanks,  
Stephanie

PS – If committee members have questions about statements made in any letters to the editor, please feel free to contact me. If you know others (outside the committee) with questions, I am happy to talk to anyone about this watershed-based planning project. Anyone should feel free to call me.
