Hi all –

Thanks to those who were able to attend the meeting yesterday to discuss Chapters 6 & 7. I realized, yesterday afternoon, that not everyone received those chapters. I apologize & am attaching them here. We would appreciate any feedback, if possible by Friday, July, 18.

Based on discussions yesterday, we have some changes and correspondence to do over the next week or so. Let me outline what we agreed to do & the timelines:

- July 14 (Mon.) - revised Action Plan sent to committee members (end of Ch. 6)
- July 16 (Wed.) - revised Chapter 8 will be sent to committee members
- July 18 (Fri.) – submit any remaining comments on Chapters 6 & 7
- July 21 (Mon.) – each committee member responds with their recommendation of priority items in the Action Plan
- July 23 (Wed.) – submit any remaining comments on Chapter 8
- August 15 (Thur) – distribute complete draft of watershed plan to committee members, for review prior to Sept. 3 meeting
- Sept 4 (Thur) – final committee meeting
- Sept 5 (Fri) – last day for committee members to submit comments, after this comments can be incorporated with any needed updates following public input
- Sept 19 (Fri) – plan is publicly available

I will check into some of the questions discussed on the topic of who will “house” the plan and get back to everyone. Then we’ll ask for committee members to respond on that issue too, via e-mail.

Thanks all & have a good weekend,  
 Stephanie
