Hello all –

Attached is a revised table of contents. We hope the changes better reflect the urban and agricultural mix in the watershed while also grouping some other items together to keep the plan succinct. (I'm attaching the "old" table of contents too, file name: TOC short 1-21-08)

Next week I will e-mail a compilation of comments on the drafts to Chapters 1 & 2, based on feedback received at the committee meeting and other comments I received over the past week. If you plan to submit comments, but haven't – please send them to me ASAP.

Thank you & have a good weekend,
Stephanie
