Hello all –

Our next meeting is April 3, 2008 from 4:30 – 6 p.m. at Plainfield South HS in the Media Center.

The April meeting agenda is attached, but will generally include the following:

- Introduction
- Small group discussion on Chapters 1 & 2
- Large group discussion on Chapters 1 & 2
- General discussion

Patrick has received the volunteer technical committee's comments for Chapters 1 & 2. Updated chapters will be e-mailed to the full advisory committee on April 1. We know that does not give the committee much time to review it prior to our April 3rd meeting, but hope that you can spend a bit of time reading it & be prepared with 2-3 comments for discussion in the small group format. As my March 13th e-mail noted, advisory committee members will have 1 week after the meeting to submit any other comments they have on Chapters 1 & 2. Those comments will be given the same weight as topics discussed at the committee meeting.

We ask, at this point, that the draft chapter reviews and discussions remain among the advisory committee members. As representatives for the variety of watershed stakeholders, your comments will ensure the perspectives you represent are considered in the watershed plan. **Public review and input on the plan will occur once the entire plan is drafted & the advisory committee has made all their comments.** The entire draft plan should be complete in July.

Thanks & see you next week,
Stephanie
