

Aux Sable Creek Watershed Open Space Draft Map
~ **Grundy County Public Information Meeting** ~

Wednesday, January 30, 2008
6 - 8 p.m.
Meeting room (2nd floor)

Three Rivers Library
Minooka Branch
109 N. Wabena, Minooka, IL 60447

Learn about open space opportunities in the Grundy County portion of the Aux Sable Creek watershed. The draft open space plan combines existing state, county and municipal information. The map expands from there by identifying other natural areas and by connecting open space to enhance the community. *It is not a zoning map or a comprehensive plan.* The purpose is to identify special places that are either already preserved or could be through *voluntary* actions.
