Hi all –

Attached is an informational flier on the upcoming public availability sessions for the draft Aux Sable Creek Watershed Plan. There will be sessions at 1:00 and 5:30 on Thursday, January 15. Both will be at the Kendall County Historic Courthouse, 110 W. Madison, Yorkville, IL. You are encouraged to attend one of these sessions. The Advisory Committee was a key player in drafting this plan. If you represent a local unit of government, please provide a copy to your plan commissioners and elected officials, so they know about this & have the opportunity to be directly involved.

Committee members expressed interest in meeting after the public availability sessions, to discuss any comments and give final input to the Plan. I'd like to schedule Thursday, February 26, 2009 from 4:30-6 p.m. I'm working on a location & hope to be in touch soon with confirmation on that.

Thanks & see you Jan. 15,  
 Stephanie

### **2009 Siemens Sustainable Community Awards Now Accepting Nominations**

<http://www.lgean.org/html/whatsnew.cfm?id=1402>

The Siemens Sustainable Community Awards recognize public-private coalitions for taking on the 21st challenge of sustainable development. A sustainable community has committed to setting and achieving complementary economic, environmental, and social goals that will help build long-term competitiveness and success. Awards go to local governments, chambers of commerce, convention bureaus, economic development authorities, and similar organizations representing the local initiative.
