Hi all –

A last minute reminder of Thursday's meeting at Seward Township Hall (2870 US Route 52, Minooka). Attached is a draft agenda for discussion. Hopefully you've had a chance to review the draft watershed plan and will have a couple of items you want to discuss on Thursday. Those of you that cannot make it, feel free to send comments to me in advance & I will mention them. If you can't get comments until a bit later, please forward by noon on Monday, Sept. 8 (so it can be considered before the plan is ready to go public on Sept. 19).

Thanks,
Stephanie
